

Hi TOPS SNOWSPORT PARTICIPANTS and PARENTS--

The change over of ownership at the Summit is causing several wrinkles that will make the Rental part of the program more complicated.

The website is not up and running for rental registration and won't be until at least December.

The best and only way to register for rentals at the Summit is to go to the **RoadShow on Monday December 3rd from 6-9pm at the Mercer Island High School Commons.**

The flier from the Summit with all of the info is attached.

Plan on going to the RoadShow to take care of your rental registration and your fitting at the same time.

Make sure to tell them you are part of the TOPS Middle School Program and **GET YOUR CUSTOMER NUMBER FROM THEM BEFORE YOU LEAVE** so you can then make your rental reservation each week. Let the rental staff at the Roadshow know that you want a reservation for our 5 Fridays Jan 11,18, 25, Feb 1, 8, and one Monday Jan 28 right on the spot if you can.

So, participants have to wait until December 3rd before they can finish the rental part of the program but should get their lesson and pass forms up to the mountain and their bus and medical forms and Bus \$ into the TOPS office **before December 1st**.

All students at TOPS may use the Student Season Pass Form attached in our packet even if not taking lessons.

Scholarship applications due next Wednesday November 21st in the office.

Hope that clarifies--

Primarily, we are sending rental season pass students to the roadshow in order to:

- a) Purchase the rental pass, students unable to purchase online at the moment
- b) Troubleshoot Tops rental pass student reservation needs for Fridays, Jan 11, 18, 25, Feb 1 & 8, & Monday Jan 28, as students are not presently able to place reservations online.
- c) Get fit for gear!!
