The Scholarship Coordinator, Molly LaPatra, handles scholarships as confidentially as possible. They are awarded on the basis of need (for example, eligibility for free or reduced lunches) and completed and timely applications. We typically offer scholarships of 50%. The scholarships awards depend on the contributions to the scholarship fund and the number of applications. We are strictly parent-funded and receive no financial help from the site council.

This application is due in the office by November 21st, 2007. For questions please contact Molly LaPatra 789-7169 or lapatra@comcast.net
