SELECT a GUEST

Been with us before? LOOK yourself up as an EXISTING GUEST.

Partial entry of your first and last name will help the system find your existing account. Enter the first three letters of both your first and last name. For example, if your name is Alexandra Alpentel, enter Ale Alp into the first and last names boxes. The store will find all matches, and ask for verification to help avoid duplicating your information!

New Guests will select the option to CREATE NEW GUEST.

Whether new or returning, be certain to EDIT your personal information. Request lessons with another student, by entering that student's name in the 'LESSON COMMENTS AND PREFERENCES' field.

TROUBLESHOOTING

If at any point you 'clear cart and start over' you will need to log back in to your program's account. Click on the 'Group Login' option in the lower right menu.
