

Thank you to all of the parents and students who came to the mandatory Ski Bus meeting last Wednesday.

We went over program details, watched Don's fantastic [Ski Bus 101](#) video and held our first ever Gear Swap & Sale.

Thanks Don for all of your help and to each of our grade level coordinators for fielding questions and organizing each grade.

A special thank you to Vanessa Stusser, for volunteering to be the morning lunchroom coordinator insuring that gear gets stored and students get to class on time.

Last Friday, I went into each middle school classroom and answered questions about the program and gave forms to any student who was unable to attend the meeting.

Please ask your student if they raised their hand and got forms, and please discuss their participation in the program now.

Do not wait until December 1<sup>st</sup>!!

Only students in good standing will be eligible to participate each week, which means at a minimum, all assigned work must be turned in.

Have Ski Bus work as a motivator for students that are falling behind as we hate to have to leave any students behind.

As a reminder, lesson and pass forms should be mailed directly to the Summit with payment **BEFORE DECEMBER 1, 2007** or you will have to pay a \$25 late fee.

For clarification, Bus and Medical forms should be handed into homeroom teachers or directly into the office **BEFORE DECEMBER 1, 2007**.

Scholarship applications must be submitted to Helen in the office **BEFORE NOVEMBER 21, 2007**, one week from tomorrow.

**All forms of a scholarship application should be delivered to the office.**

**For scholarship applicants only, no forms should be mailed to the Summit as they are sent in as a group.**

Thanks and THINK SNOW!!!
